Getting started with libby

**The Libby app is a new, one-tap reading app for borrowing digital books and audiobooks from your library.**

This free app, created by OverDrive, is available for Android, iOS (iPhone/iPad/iPod touch), **and Windows 10 devices**.

1 Install the Libby app from your device's app store.

2 Open the app and find your library. You can search by library name, city, or zip code.

3 Browse your library's collection and borrow a title. When prompted, sign in. You'll need a valid library card to complete this step.

4 Borrowed titles appear on your **Shelf** and download to the app automatically so you can read them when you're offline.

From your **Shelf**, you can:

- Tap **Start Reading** to open a title.
- Tap **Start Listening.**

Happy Reading

If you can't get Libby on your device, you can try using the original OverDrive app. For more help, visit help.overdrive.com.
